Potentate

My dear Nobles:—

Today, at the end of my year of service as Potentate of this, the largest Temple in the Shrine, I want to thank you for the great honor you conferred upon me when you elected me to this high office and to express to you my deep appreciation of your splendid cooperation and unfailing assistance in every activity undertaken during this difficult year.

1933 will long be remembered in Shrinedom, and especially in Medinah Temple, as a history making epoch. First in importance was the remittance of the annual dues and presentation to Nobles of their cards placing all members on an equal footing. Second was Medinah

Day, July 29th, at A Century of Progress, when 15,000 red Fezes were in evidence, and all our units and Nobles participated in a most wonderful, colorful demonstration. Never before or since that day, according to the officials of the Fair, was there a more magnificent display on the Grounds.

Outstanding among the year's activities have been entertainments given by your Golden Chanters—the largest and best Brass Band in Shrinedom—Medinah's famous Arab Patrol and the Original and Best Oriental Band; also the Pageant of Oriental Splendor and baffling mysteries of the Far East—the Athletic Stags—the Children's Day at the Circus—the Boat Trip and Picnic in Michigan City and the Ceremonials in February and November, the former doing honor to our Illustrious Past Potentates and the latter to the Illustrious Imperial Potentate John N. Sebrell and our own Frank C. Roundy, P.I.P.

The loyalty to the Temple and to the Potentate as demonstrated by the enthusiasm and attendance of the Nobles has been most gratifying and served as an inspiration to greater effort.

I wish to take this opportunity of expressing my thanks and appreciation to the Officers and Members of all the organizations and committees who by their loyalty and pride in Medinah were directly responsible for this wonderfully successful year; and to my Officers, who have so faithfully supported me through my tenure of office, I also extend my deep appreciation and gratitude and commend them to you for the future. Of the loyalty, cooperation and hard work of the Recorder and his office force and the Superintendent of our Mosque and his force, I cannot speak too highly. They have labored faithfully and well.

During the year, many changes have been made in the building and a very beautiful and modern office has been created in what was the South Parlor. The entrance to it has "Welcome" on the mat. It is hoped that all the Nobles will get the Medinah habit and come in and get acquainted.

In conclusion let me wish you all a Very Happy and Prosperous New Year with hopes that 1934 will be as kind to you as you have been to me in 1933.

Cordially yours in the Faith

Hyde W. Perce
